U.S. NUCLEAR REGULATORY COMMISSION... ATOMIC SAFETY AND LICENSING APPEAL BOARD

Re: PHILA. ELEC. CO. Limerick Gen. Sta. Units 1 & 2

Docket # 50-352,353 *OL*

February 10, 1985

REQUEST AND MOTION FROM R.L. ANTHONY/FOE FOR REBUTTAL TIME FOR OUR ORAL ARGUMENT ON OUR CONTENTIONS BEFORE THE BOARD AT THE HEARING ON MARCH 4, 1985

'85 FEB 15 A10:12

In response to the Board's order of 1/17/85 setting the time for oral argument, we respectfully ask the Board to consider that our allotted time of 15 minutes is a very constricted period in which to highlight testimony from hearings which extended over three months and to reestablish our case. Recognizing the probable pressures under which the Board operates, we are not asking for the additional presentation time which we need, but we do ask the Board to grant a minimum rebuttal time of 15 minutes.

We hereby respectfully petition the Board and make the motion that the Board grant us rebuttal time of 15 minutes in addition to the 15 minute presentation time already assigned.

As we notified the Board earlier, Anthony/FOE's presentation will be made by me.

Respectfully submitted,

*Robert L. Anthony*
