Re: South Texas Nuclear Project  
Bay City, Texas

SETTLED NOV 1 1984

Dear Honorable Bechhoefer:

I would like to formally request rotation of the next Atomic Safety and Licensing meetings from Houston, Texas to Bay City, Texas. A large number of the Bay City populace are extremely interested in this matter as a result of the South Texas Nuclear Project being located in Bay City, Texas.

Your kind consideration in this matter will be greatly appreciated.

Sincerely,

Moise H. Simon, Esq.  
Co-Chairman, Matagorda County
