

OFFICE OF THE
COMMISSIONER

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555

June 10, 1983

MEMORANDUM TO THE FILES

SUBJECT: MEMORANDUM OF CONVERSATION - JOHN SELBY,
CONSUMERS POWER COMPANY -- JUNE 10, 1983

Mr. Selby asked whether I had anything to share with him as a result of my trip. Told him I had recommended to the Commission that it be briefed on the subject of Midland, and that a meeting is being arranged for the 15th, and that it probably will be open.

A handwritten signature in dark ink, appearing to be "VG".

Victor Gilinsky

C/69

6/13/83

Issue

5/18 - 22/81

5/22

Training insps (81-12). Sm. base did not have CPDC IAL (re-evaluate what you did previously)

Revised red line proced. No issue made field staff did not follow red line procedure

Sammons allegation. Fuzzy. Handled by E first. Says E was not following IAL

7/16 - 17

Our insp. found CPC did follow IAL. (81-14)

7/23 - 24

Followups on 'allegations'

-- 3/79 - 4/80 no procedure for red lining (when do red line + when do FCR)

-- not always follow red line procedure (did red lining on dwgs not yet reviewed or approved drawings)
