Gentlemen:

Thank you for your letter of December 10, 1984, in response to our letter and the attached Notice of Violation dated November 9, 1984. As a result of our review, we find that additional information, is needed. Specifically, in relation to your reply to item 285/8421-01b which states that, "standing orders which govern the maintenance or modification of plant systems will be reviewed and revised as appropriate to formally address the requirements of Quality Assurance Manual Plan 6-3 on cleanliness controls." Since QAMP 6.3 does not implement the requirements of ANSI N45.2.1-1973, please explain how those requirements are to be implemented.

Please provide the supplemental information within 30 days of the date of this letter.

Sincerely,

"Original Signed by:
