Gentlemen:

This is to acknowledge your letter of September 13, 1984 which was in response to our letter of August 16, 1984.

We have reviewed your evaluation of the ancillary duty assigned to the Central Alarm Station attendants on June 1, 1984 and agree that it is not inconsistent with 10 CFR 73.55(e), as long as the attendants remain cognizant of their primary responsibilities.

Thank you for your cooperation in this matter.

Sincerely,
