Subject: Request for Information on Employee Survey

Dear Mr. Spence:

The NRC Comanche Peak Intimidation Panel has identified the need for information about employee surveys conducted in 1979 and 1983, to determine the conditions under which these surveys were administered. Please provide responses to the following questions to assist the panel in its evaluation effort.

1. What were employees told concerning the confidentiality of their responses, who would be seeing the results, and how the survey data would be used?
2. How were the surveys introduced and passed out to employees?
3. Where and how did employees complete the surveys?
4. What guidelines were used by those transcribing employee responses?
5. How were the completed surveys returned to management.
6. How were employees selected to participate?
7. Which organizational units and/or job categories were included and excluded from the surveys and what criteria were used for this process?
8. How many QC inspectors were employed at the plant when each of these two surveys were taken?
