

February 14, 1973

R. H. Engelkan, Assistant Director for Inspection & Enforcement  
Directorate of Regulatory Operations, Headquarters

ANONYMOUS ALLEGATIONS - JERSEY CENTRAL POWER & LIGHT COMPANY, OYSTER CREEK  
NUCLEAR GENERATING STATION

I have attached for your information, a copy of an unsigned letter dated  
February 6, 1973, that relates to problems at the Oyster Creek Nuclear  
Generating Station. This letter was received in the Region I office on  
February 12, 1973.

A special inspection, commencing on February 13, 1973, is being conducted.  
Future actions will depend on the findings from this inspection.

James P. O'Reilly  
Director
