

JAN 16 1973

Mr. John W. Reintjes  
Atlantic Estuarine Fisheries Center  
Beaufort, North Carolina 28516

Dear Mr. Reintjes:

Per our telephone conversation, I've enclosed the temperature data from Oyster Creek for the period in question. I can't vouch for the accuracy of the data, but evidently it's all that is available.

J. P. Stohr, Senior,  
Environmental Protection and  
Special Programs Section
