Re: In the Matter of Texas Utilities Generating Company, et al
(Comanche Peak Steam Electric Station, Units 1 and 2)
Docket Nos. 50-445-2 and 50-446-2

Dear Judge Bloch:

This letter is to memorialize the telephone conference with you, Judge Grossman, Mr. Tony Roisman, Mr. Stuart Treby, and myself, on the afternoon of February 13, 1985, at which time, on behalf of the Applicants, I requested that an extension of time be granted to March 1, 1985 for the Applicants to file a response to Mr. Roisman's "CASE Motion for Establishment of an Evidentiary Standard and Request for Board Directed Independent Inspection." The other parties did not oppose the Applicants' motion and the same was granted.

If any additional elaboration on such telephone conference is desired by the Board or any party, please let me know.

Respectfully submitted,
