Dear Mr. Lynch:

Reference: Fermi 2  
NRC Docket No. 50-341

Subject: Description of Portable Radwaste System

Please find attached per your request a description and safety evaluation of the liquid radwaste processing system being supplied by NUS Corporation for use at Fermi 2. Piping and instrumentation diagrams (P&ID's) for the system are included as well.

The P&ID's are proprietary to NUS Corporation and it is requested that they be withheld from public disclosure as permitted by 10CFR2.790. An affidavit by NUS Corporation is attached.

Sincerely,

*O. K. Earle*
