 Inspection No. 74-14

Reference: Your letter dated September 19, 1974  
 In response to our letter dated August 14, 1974

Gentlemen:

Thank you for informing us of the corrective and preventive actions you documented in response to our correspondence. These actions will be examined during our next inspection of your licensed program.

In accordance with Section 2.790(d) of the AEC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, documentation of findings of the control and accounting procedures for safeguarding special nuclear materials and facility security procedures are exempt from disclosure; therefore, the referenced letter will not be placed in the Public Document Room.

Your cooperation with us is appreciated.

Sincerely,
