Gentlemen:

This is to confirm the dates of July 18-29, 1983, for conducting the Emergency Preparedness Appraisal at the Comanche Peak Steam Electric Station, Glen Rose, Texas. We do not intend on conducting the Emergency Response Facilities Appraisal at this time.

These dates were verbally confirmed by telephone with Messrs. R. Lancaster and R. Wester of your staff on April 29, 1983.

Further contacts and arrangements will be made with your staff as we approach July 18. The appraisal will be performed by a team of approximately 7 auditors and will consist of an in-depth evaluation of all aspects of your emergency preparedness program.

If you have questions concerning this letter or need further information, please contact this office.

Sincerely,
