PROCUREMENT - IMPROPER WORK AUTHORIZATION

Dear Mr. O'Reilly:

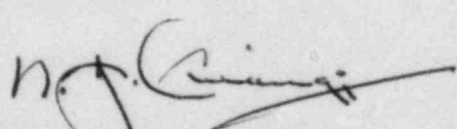

This is to confirm the January 24, 1985 telephone conversation between Mr. N. J. Chiangi (CP&L) and Mr. A. Hardin. Mr. Hardin was informed that the December 28, 1984 potentially reportable item, pertaining to a vendor authorized to perform work on safety related items through a nonsafety purchase order, has been evaluated and considered not to be reportable per the provisions of 10CFR50.55(e).

Thank you for your consideration in this matter.

Yours very truly,

NJC/mt
