Dear Mr. Hurlock:

We are forwarding herewith for your review and comment five (5) copies of Draft 6 of the Warwick Township Radiological Emergency Response Plan for Incidents at the Limerick Generating Station. This draft contains several minor changes resulting from the July 25 exercise. Additionally, most "to be developed" items have now been completed with the exception of the following which require input from you or your staff:

1. Identify an assistant Fire Services Officer (ref. Atch. B and Atch. I)
2. Provide telephone numbers for EOC staff (ref. Implementing Procedures - Annex A)
3. Identify transient locations within each Route Alert Sector (ref. Atch. E)

We will be contacting you in the near future to finalize insertion of this data into your plan. Upon completion, we believe it will be ready for formal review by state and federal agencies.

Thank you for your continued cooperation.

Sincerely yours,

Ronald L. Deck
