Gentlemen:

By our letter to you dated October 10, 1973 we transmitted comments from Federal, State and local agencies on the Commission's Draft Environmental Statement for Oyster Creek Nuclear Generating Station and requested any responses to the comments you deemed appropriate. Your responses were sent to us by letter dated January 10, 1974.

Enclosed are additional comments received too late to be enclosed in our letter of October 10, 1973. You are requested to review these comments and make any responses you deem appropriate by March 22, 1974. Your reply should consist of three signed copies and forty additional copies.

Sincerely,

Original signed by
