Dear Mr. Kesler:

Enclosed is the NPDES renewal application for Union Electric Callaway Power Plant (MO-0098001). Also enclosed is a check for the seventy-five dollar application fee.

Please note, in particular, Attachment F which describes the sampling and analysis conducted for this application. This information is important in understanding the analytical data and mass discharge values presented in both Forms C and D.

Note that the application contains the required flow diagram and a larger copy is also enclosed for your convenience. If there are any questions regarding this reapplication, please contact John Pozzo at 554-2280.

Sincerely,

*Thomas E. Siedhoff*
