Docket No. 50-142-OL  
(Proposed Renewal of  
Facility License)

February 3, 1985

MEMORANDUM AND ORDER

For some months now, the parties have been attempting to negotiate a settlement of their differences concerning the termination of this proceeding. From time to time CBG and Staff have orally informed us of the progress of these negotiations. However, in light of the amount of time which has passed without an agreement having been reached, we wish a written report from each party indicating, in that party's view:

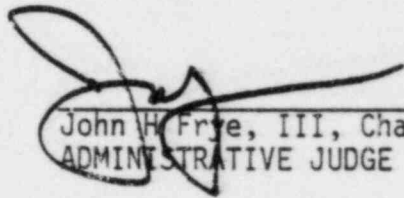

1. Whether substantial progress has been or reasonably can be expected to be made toward an agreement;
2. Whether major obstacles exist which are unlikely to be overcome by further negotiations; and
3. How much more time, if any, should be allowed for further negotiations.

Each party's report is to be filed and served by March 1,

It is so ORDERED.
