Mr. John T. Collins
Regional Administrator, Region IV
U.S. Nuclear Regulatory Commission
611 Ryan Plaza Drive, Suite 1000
Arlington, TX 76011

Dear Mr. Collins:

Subject: Waterford 3 SES
Docket No. 50-382
Transient Information Distribution List in the Emergency Plan

- References: 1) LP&L Letter W3F84-0062 dated June 18, 1984
2) Telephone Communication - C. Hackney (NRC)
and J.J. Lewis on October 18, 1984

In item 13 of the reference 1 letter, Louisiana Power & Light Company committed to providing the transient information distribution list in the next revision of the Emergency Plan.

As discussed in the telephone conversation between C. Hackney and J. Lewis on October 18, 1984; Louisiana Power & Light Company will not incorporate the transient information distribution list in the Emergency Plan, but will instead update it on an annual basis and retain on file for NRC review.

Very truly yours,

KW Cook
