Re: VPI&SU Research Reactor (VTAR)
Facility License No. R-62
Docket No. 50-124

Dear Mr. Denton:

Pursuant to 10 CFR parts 50.51 and 2.109, we respectfully request a change to previous licensing requests submitted to the Nuclear Regulatory Commission.

We request that the Commission rescind all prior amendment requests for operating licenses (material dated 23 May 1984) as we have submitted a request for a Possession Only license.

We also request that the R-62 license renewal documentation be held for future use until the expiration of the Possession Only license.

Sincerely yours,

Donald R. Krause, Supervisor
Nuclear Reactor Laboratory
