IN RESPONSE REFER
TO FOIA-84-393

Dear Mr. Glasspiegel:

This is a fifth partial response to your letter dated May 18, 1984, in which you requested, pursuant to the Freedom of Information Act, copies of documents regarding (1) all prefiled testimony filed in NRC construction permit or operating licensing hearings; (2) all speeches or published papers on subjects relating to nuclear power; (3) all internal memoranda (excluding final, published NRC inspection and investigation reports) referencing the South Texas Project. You listed nine NRC personnel who are covered by this request.

The documents as listed on Appendix A are responsive to your request and are enclosed.

The number of pages to this response is 64 pages. We will inform you of the total reproduction charges at the completion of this request.

The search for and review of additional documents subject to your request have not been completed. As soon as the search and review are completed, we will advise you of our disclosure determination.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration
