LONG ISLAND LIGHTING COMPANY
(Shoreham Nuclear Power Station,
Unit 1)

Docket No. 50-322-OL-3
(Emergency Planning Proceeding)

November 5, 1984

MEMORANDUM AND ORDER
GRANTING JOINT MOTION TO REVISE SCHEDULE FOR
FILING BRIEFS ON THE MERITS OF "LEGAL AUTHORITY" ISSUES

On October 22, 1984 the Board issued a Memorandum and Order deferring ruling on LILCO's Motion for Summary Disposition of Contentions 1-10, concerning LILCO's legal authority to perform certain activities described in its Transition Plan. At that time the Board invited all parties to submit briefs on the merits of the first ten contentions and set a schedule for filing such briefs. In its Order the Board indicated it would allow the parties to establish a different briefing schedule provided all parties were in agreement and the Board was promptly notified of any changes.

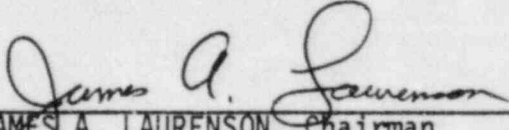

On November 2, 1984 the Board received from LILCO a Joint Motion to Revise Schedule for Filing Briefs on the Merits of "Legal Authority"

Issues. Since all parties concurred in the Joint Motion, the Board grants the motion and establishes the following revised briefing schedule: LILCO and Intervenors Suffolk County and New York State are to submit their briefs by November 19, 1984. Responses are due November 29, 1984. NRC Staff shall submit its brief by December 7, 1984.
