Wendy

Thank you for the reply and providing us with the opportunity to submit a letter. We've committed to some internal discussions and industry outreach early next week. Will it be acceptable if I let you know by the end of next week what our timeline is for completing the letter?

Mark,

Thank you for your email. The letter you describe is acceptable to the NRC.

As communicated during the public meeting, the staff is working towards sending its recommendations to the Commission on the rulemaking in the next few months. Therefore, to ensure that the letter can be fully considered in the development of the staff's paper to the Commission, we ask that you provide the letter within one month.

Please let us know if this is acceptable.

Thank you again for attending the meeting and providing NEI's perspectives.

Regards,
Wendy

Wendy and Chris

Relative to the differing if not conflicting perspectives regarding the subject Rulemaking presented by industry at the public meeting, NEI will be circling back with our members to reassess industry position. It is our intention to submit a letter to NRC later this Spring, referencing this meeting and clarifying industry position.

Please confirm if this is acceptable and let me know if you have any questions or concerns.

Thank you
