Docket No. 50-219

Reference: Your letter dated November 5, 1975
In response to our letter dated October 20, 1975

Gentlemen:

Thank you for your response to our correspondence. The corrective actions you documented will be examined during subsequent inspections of your licensed program.

We understand from the phone conversation on November 24 between Mr. Finfrock of your staff, and Mr. Brunner of our Region I office, that modifications of commitments to WASH documents and ANSI Standards will be submitted to the Office of Nuclear Reactor Regulation. We understand this also includes any modification of commitments to personnel experience and training requirements.

Your cooperation with us is appreciated.

John G. Davis
Deputy Director
Office of Inspection and Enforcement
