It's been 4 months...we still need the amended STA and the amended CFA.

No thank you. I have been pushing them monthly and just hadn't gotten to it yet this month. I appreciate the contact.

Thank you very much! I know these can take some, so I do usually give more time than for a technical amendment, but I lost track of this for a bit too long too.

Ms. Ullrich,
I apologize for the delay in completing this.
We unfortunately had some turnover in our finance department during this time. I have been told that we are waiting on the completion of the Standby Trust Agreement changes and those should be

ready by the end of the calendar year.

Thank you,

Mr. Jackson,

I got your email address from your September 7, 2018 letter.

On July 26, 2019, we received a Surety Rider for the STERIS license No. 52-24994-02. This was issued due to the name change. On August 6, 2019, I sent a letter (attached) to Jose Aponte with a cc to you, requesting that the Certification of Financial Assurance (CFA) document be revised as well, and an amended Standby Trust Agreement (STA) be submitted with the new name. To date, neither has been received. Please provide me with an update on when we might expect these documents.

Thanks,
Betsy Ullrich
