

[REDACTED]

APPENDIX A

NOTICE OF VIOLATION

University of California, Irvine

[REDACTED]

Docket No. 50-326

As a result of a special inspection on May 10th thru July 1st, 1982, and in accordance with the Enforcement Policy, published in the Federal Register 47 FR 9987 (March 9, 1982) the following violations were identified:

1. 10 CFR 73.71(c) states in part, "Each licensee...shall notify the NRC Operations Center...as soon as possible, and in all cases within one hour, of any event which significantly threatens or lessens the effectiveness of a physical security system as established by...the licensee's approved physical security plan."

The licensee's approved security plan, dated July 19, 1974, paragraph II.C.1. states in part [REDACTED]

Contrary to the above, the licensee failed to notify the NRC Operations center within one hour of the [REDACTED] on approximately April 1, 1982. The licensee reported the [REDACTED] to the NRC Regional Office on May 10th, 1982.

This is a Severity Level IV Violation (Supplement III).

2. 10 CFR 73.71(c) states in part, "The licensee shall submit a written report to the appropriate NRC Regional Office...describing the event in detail within 5 days of the time of discovery."

Contrary to the above on [REDACTED] and a written report to the NRC Region V office was prepared on June 1st, 1982, and submitted on June 7th, 1982.

This is a Severity Level IV Violation (Supplement III).

Pursuant to the provisions of 10 CFR 2.201, University of California, Irvine is hereby required to submit to this office within thirty days of the date of this Notice, a written statement or explanation in reply, including:
(1) the corrective steps which have been taken and the results achieved;
(2) corrective steps which will be taken to avoid further items of noncompliance;
and (3) the date when full compliance will be achieved for the item of noncompliance.
