Glen Ellyn, IL 60137

Attn: William J. Adam, Ph.D.

Gentlemen:

Attached is our application for a U.S. NRC license to perform on a commercial basis leak testing of sealed sources, instrument calibration, dose calibrator calibration and analysis of samples as well as other activities described in the license application.

A sample of our leak test kit will be provided under separate cover.

Our check for \$190 is attached. If you have any questions, please contact me at 866-7744.

Sincerely,

Eli A. Port, CHP, P.E.
President
