IN RESPONSE REFER
TO FOIA-84-739

Dear Ms. Bell:

This is in response to your letter dated September 14, 1984, in which you requested, pursuant to the Freedom of Information Act (FOIA):

1. An evaluation, analysis, audit, or review done by or for the Institute for Nuclear Power Operations (INPO), or with its staff or its methodology, of the Shearon Harris Nuclear Power Plant within the last six months; and
2. Any documents produced by the NRC staff that constitute review of the information requested in item 1, above.

Upon a thorough search of existing NRC files, the staff did not locate the requested records. However, the Agency has made available at the NRC Public Document Room a voluminous amount of information relating to INPO in response to an FOIA request filed by the Critical Mass Energy Project. The information is contained in file folder FOIA 84-44.

Sincerely,

A handwritten signature in black ink, appearing to read "J. M. Felton", written over a horizontal line.
