Docket No. 50-219

Jersey Central Power & Light Company
ATTN: Mr. I. R. Finfrock, Jr.
Vice President - Generation
Madison Avenue at Punch Bowl Road
Morristown, New Jersey 07960

Gentlemen:

Your letter dated February 26, 1974, transmitted proprietary drawing No. 20464-H and requested that it be withheld from public disclosure.

Based on our review of the information you have provided, we have concluded that you have not supplied sufficient justification for our withholding of the drawing from public disclosure. In accordance with the provisions of 2.790 of 10 CFR Part 2, a full explanation as to why this drawing should be handled as proprietary should be provided for our consideration.

Any justification for proprietary treatment in accordance with the provisions of Section 2.790 may include matters such as a showing that the information for which proprietary status is claimed is of a type customarily held in confidence, that there is a rational basis for customarily holding this information in confidence, that the information has, in fact, been kept in confidence, and that it is not found in public sources.

Pursuant to Section 2.790(c), your response to this request should be submitted within 30 days from the date of this letter or your application for withholding will be denied without further notification and the document will be placed in the public record.

Sincerely,

Dennis L. Ziemann

Dennis L. Ziemann, Chief
Operating Reactors Branch #2
Directorate of Licensing
