Docket No. 50-331

Iowa Electric Light and Power  
Company

ATTN: Mr. Lee Liu  
President and Chief  
Executive Officer

IE Towers  
P. O. Box 351  
Cedar Rapids, IA 52406

Gentlemen:

This is to acknowledge receipt of Revision 5 to the Duane Arnold Energy Center  
Emergency Plan dated January 21, 1985. This revision was received in our  
office on January 28, 1985.

We have reviewed the changes to the Duane Arnold Energy Center Emergency Plan  
and determined that they are consistent with the requirements of 10 CFR 50.54(q)  
and do not decrease the effectiveness of the emergency plan. These changes  
are, therefore, acceptable.

Please be reminded that 10 CFR 50.54(q) requires NRC approval of any changes  
to your emergency plans which may decrease their effectiveness. However, if  
your safety review assures no decrease in emergency preparedness effective-  
ness, then such changes may be made without prior NRC approval. In all cases,  
you must furnish copies of each proposed change to the NRC in accordance  
with 10 CFR 50.54(q). Also, any changes to the Emergency Plan Implementing  
Procedures should be made in accordance with the requirements of 10 CFR  
Part 50, Appendix E, Section V.
