In the Matter of
LONG ISLAND LIGHTING COMPANY
(Shoreham Nuclear Power Station, Unit 1)
Docket No. 50-322-OL-4 (Low Power)

Dear Mr. Chilk:

On February 14, 1985, the Long Island Lighting Co. filed "LILCO's Motion for Clarification of CLI-85-01". In that motion LILCO asked that the Commission clarify CLI-85-01 to provide instructions to the Atomic Safety and Licensing Appeal Board concerning the consideration of CLI-85-01 in a pending appeal involving the Shoreham low power licensing proceeding. On February 21, 1985, the Appeal Board rendered its decision in that pending appeal. See ALAB-800. The subject motion therefore appears moot, and the NRC Staff does not intend to respond to that motion.

Sincerely,

Edwin J. Reis
