Director
Office of Administration
Nuclear Regulatory Commission
Washington, D.C. 20555

To Whom It May Concern:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. §552, the Government Accountability Project (GAP) requests copies of any and all agency records and information, including but not limited to notes, inter-office memoranda, letters, memoranda, drafts, minutes, diaries, logs, calendars, tapes, transcripts, summaries, interview reports, procedures, instructions, engineering analyses, drawings, files, graphs, maps, photographs, agreements, handwritten notes, studies, data sheets, notebooks, telephone messages, books, computations, voice recordings, computer run-offs, representative records, interim and/or final reports, status reports, and any and all other records relevant to and/or generated in connection with the following areas:

1. The investigation conducted by Messrs. Griffin and Driskill of the NRC Office of Investigations, Region IV Field Office during the period December 1, 1982-February 18, 1983, of activities authorized by NRC Construction Permit CPPR 147 for the Wolf Creek Generating Station. This investigation was conducted in response to alleged intimidation of Daniel International Mechanical Quality Control Inspectors. Case Number 4-82-016.
2. Memorandum from Mr. Diricks to Messrs. Denton, DeYoung, Davis, Cunningham, Murley, O'Reilly, Keppler, Collins, and Martin. This memorandum is dated May 25, 1984. The subject of the memorandum is the actions for plants with near term licensing activity. Specifically, we request the information which provided a basis for this statement as pertaining to Wolf Creek Generating Station which is authorized by NRC Construction Permit CPPR 147. This request also includes any and all documents relating to or generated from action taken since this memorandum.

If any records as defined in 10 CFR §9.3(b) and the NRC Manual, supra, and covered by this request have been destroyed and/or removed after this request, please provide all records which have been or are destroyed and/or removed, a description of the action(s) taken relevant to, generated in connection with, and/or issued in order to implement the action(s).

GAP requests that fees be waived, because providing the requested information "can be considered as primarily benefitting the general public," 5 U.S.C. 552(a)(4)(A). GAP is a non-profit, non-partisan public interest organization concerned with honest and open government. Through legal representation, advice, national conferences, films, publications, and public outreach, GAP promotes whistle-blowers as agents of governmental accountability. GAP is currently working with citizens groups in the Kansas area concerning the Wolf Creek Nuclear Generating Plant.

For any documents or portions of documents that you deny access to, please provide an index, as required by Vaughn v. Rosen, 484 F.2d 820 (D.C.Cir. 1973), cert. denied, 415 U.S. 977 (1977), itemizing and describing the documents or portions of documents withheld, and providing a detailed justification of your grounds for claiming each exemption.

Thank you for your prompt and thorough response to this request. We look forward to your response within ten days.

Very truly yours,

Michele Varricchio
