SUBJECT: Postponement Of Spent Fuel  
Shipments And November  
Shipment Schedule

Dear Mr. Collins:

Pursuant to telephone notifications made October 17 and 19, 1984, due to inclement weather and delays resulting from equipment problems at Idaho Chemical Processing Plant (ICPP), this letter is to provide you with a modified schedule of spent fuel shipments from the Fort St. Vrain Nuclear Generating Station in Platteville, Colorado, to the Idaho Chemical Processing Plant in Scoville, Idaho for the balance of the month of October, 1984. Additionally, a schedule for the month of November, 1984 is provided. The enclosure to this letter contains safeguards information and is therefore attached as a separate sealed item. It must be protected against unauthorized disclosure until ten days after arrival at ICPP of the final spent fuel shipment in 1984.

If you have any questions, please contact Mr. Judd Sills at (303) 785-2223, Ext. 265.

Sincerely,

J. W. Gahm  
Manager, Nuclear Production
