SUBJECT: RELAY OF PHONE NUMBER TO WELDER "B"
(CASE NO: E11-84-A-0012)

Reference your memo dated 02/23/84, same subject. On 02/23/84, I telephonically contacted welder "B" and provided him with telephone number (704) 365-1912. He was also advised that this was the phone number of a Palmetto Alliance representative and that the Palmetto Alliance is an intervenor group in the licensing proceeding. He was advised that the number was being provided to him should he wish to contact the intervenors.
