Gentlemen:

SUBJECT: REPORT NO. 50-160/84-04 CORRECTION

This refers to the special unannounced inspection conducted by this office on September 20, 1984, of activities authorized by NRC License No. R-97 for your Georgia Institute of Technology facility.

Due to an administrative oversight, the report cover letter dated October 2, 1984 listed an incorrect report number for Docket 50-160. A corrected cover letter is enclosed for insertion into the original report package transmitted on October 2, 1984. A copy of the original cover letter is also enclosed. Please replace the original incorrect cover letter with the corrected cover letter. We regret any inconvenience this may have caused.

Should you have any questions concerning this letter, we will be glad to discuss them with you.

Sincerely,

(Original signed by DMVerrelli)
