MEMORANDUM
(Testimony From Dr. Arthur P. Boresi)

Since the purpose of including an independent expert within Applicants' plan was to provide the Board with added assurance that the Applicants' response was technically correct and carefully considered, we are pleased that Applicants retained Dr. Arthur P. Boresi as their reviewer. However, Applicants will not have complied with their plan unless Dr. Boresi submits testimony detailing the depth of his review and his analysis of the summary disposition motions. Failure to file this testimony could affect the Board's confidence in Applicants' motions.
