*During a telephone conversation with Nina Pugh on April 16, 1996, you agreed to narrow the scope of your request to receiving copies of printouts identifying publicly available records for the Grand Gulf Nuclear Station. Should you wish copies of any of these records, you may contact NRC's Public Document Room directly where they are maintained. I have enclosed instructions to assist you in obtaining records from the PDR.

You are not being assessed fees for the processing of your request since the minimal fee limit has not been exceeded. This completes NRC's action on your request.
