Attn: Chief of Rules, Review and Directives Branch

This is a formal request under the federal FOIA for documents pertaining to the Susquehanna Steam Electric Station in Salem Township, Pa., owned by the Pennsylvania Power & Light Co., of Allentown, Pa.

I am requesting all reports issued by the NRC Office of Investigations on PP&L's nuclear power plant within the last 5 years: 1991, 1992, 1993, 1994, 1995.

I am specifically looking for reports on alleged and founded license violations but also request any and all documents generated by the NRC office relating to the Susquehanna plant.

Please consider this an expedited request and respond as soon as possible.

Please waive all fees as the information will aid the public interest.

Thank you.
