REQUEST FOR A 1 WEEK EXTENTION OF TIME TO
FILE TESTIMONY ON LEA'S DEFERRED OFF-SITE
EMERGENCY PLANNING CONTENTIONS (LEA-1,2,3,5 & 23)

To all Parties to this proceeding,

As you are aware, Limerick Ecology Action received the Board's Order admitting LEA's deferred emergency planning contentions on November 6, 1984. This order established a filing deadline for the receipt of testimony on LEA-1,2,3,5 & 23 on November 19, 1984.

I contacted each party involved in off-site emergency planning contentions on November 7 to determine whether there were any objections by the parties to LEA's plans to request a 1 week extention for the filing of this testimony. At that time no party, other than counsel for the Applicant stated any objections to LEA's request, as long as the hearings on LEA-1,2,3,5 & 23 were scheduled following those already scheduled on LEA contentions LEA-11, 12, 13, 14, 15, 27, 24, 26, 27, & 28, to insure that all parties would receive the testimony within the required time before the hearings. This request is not expected to delay the hearing schedule on these issues.

I have enclosed a copy of LEA's telegram submitting this request to the Atomic Safety and Licensing Board in this proceeding and do hereby certify that I have served a copy of this letter and the mail-gram on all parties on the service list this 8th. day of November, 1984.

Sincerely,

Phyllis Zitzer
