Gentlemen:

SUBJECT: REPORT NO. 70-1113/84-12

On August 12-16, 1984, NRC inspected activities authorized by NRC License No. SNM-1097 for your Wilmington Manufacturing facility. At the conclusion of the inspection, the findings were discussed with those members of your staff identified in the enclosed inspection report.

Areas examined during the inspection are identified in the report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observation of activities in progress.

The inspection findings indicate that certain activities violated NRC requirements. The violation, reference to pertinent requirements, and elements to be included in your response are presented in the enclosed Notice of Violation.

Your attention is invited to an unresolved item identified in the inspection report. These matters will be pursued during future inspections.

In accordance with 10 CFR 2.790(d) and 10 CFR 73.21, safeguards activities and security measures are exempt from public disclosure; therefore, the enclosures to this letter, with the exception of the report cover page which presents a nonexempt summary, will not be placed in NRC's Public Document Room.

The responses directed by this letter and the enclosures are not subject to the clearance procedures of the Office of Management and Budget issued under the Paperwork Reduction Act of 1980, PL 96-511.

Should you have any questions concerning this letter, please contact us.

Sincerely,
