Re: In the Matter of Texas Utilities
Electric Company, et al. (Comanche Peak
Steam Electric Station, Units 1 and 2)
Docket Nos. 50-445-2 and 50-446-2

Gentlemen:

I am enclosing at the Licensing Board's request
four cassettes which contain the recorded conversations of
the meetings held on November 10 and 11, 1983 between rep-
resentatives of Texas Utilities and Oliver B. Cannon & Son,
Inc. It is my understanding that these tapes form the basis
for the final transcript of these meetings. (Item 54 of
Attachment A to my October 18, 1984 document production
letter.)

The enclosed cassettes are copies of the ones
referred to in my October 18 letter. I understand that the
quality of the recorded conversations is poor. This result
is undoubtedly due to the inadequacies of the equipment used
to record the sessions.

Sincerely,

Joseph Gallo
