10CFR170 Fee for Review and Approval
of Alternate Shutdown Capability

Dear Sir:

In response to your letter to myself, dated August 9, 1984 (BECO 1.84.234), Boston Edison Company submitted payment under separate cover for the NRC's review and approval of the alternate shutdown capability at Pilgrim Nuclear Power Station. Payment of this fee was made by our Check #868694, dated September 26, 1984, for the amount of \$4,000.00.

If you have any question concerning this payment, please contact us.

Very truly yours,

W.D. Harrington
