Dear Dr. Palladino, Mr. Pertschuk et al.:

You are now in active collusion with the U.S. District Courts in San Francisco, Salt Lake City, Manhattan et al. and with President Ronald Reagan and Governor G. Deukmejian and their Cabinets in the matters now under investigation. (A) You are now informed that on April 13, 1984, Chief Administrative Judge Paul Cotter denied that he had been interviewed by The Washington Post, The New York Times, Christian Science Monitor, The Pacifica Foundation et al. on the matters now under investigation. Indeed Judge Cotter stated that he had never seen correspondence originating with YING KUNG SHIH. In particular no such correspondence was at any time transmitted to him by Regional Director John B. Martin, Mr. Gene A. Blanc, Mr. O.J. Schubel, Mr. W.K. Coblentz, Dr. Elie Abel, Dean Peter Clark, Dean E. R. Bayley, Mr. Richard Scaife, Board of Regents of the University of California, Board of Trustees of Stanford University, American Nuclear Insurers, Bechtel Corporation, Board for International Broadcasting et al. (B) I now request you to produce correspondence on the matters now under investigation from any source other than YING KUNG SHIH. (C)
