Docket No. 50-255

Mr. David J. Vandewalle
Director, Nuclear Licensing
Consumers Power Company
1945 West Parnall Road
Jackson, MI 49201

Gentlemen:

This is to acknowledge receipt of your letter dated February 15, 1985, which transmitted changes, identified as Revision 3, to the "Palisades Plant Suitability Training and Qualification Plan" under the provisions of 10 CFR 50.54(p).

We have reviewed the submitted changes and have determined that, except for that item identified in the enclosure, they are consistent with the provisions of 10 CFR 50.54(p) and do not decrease the effectiveness of the plan. These changes are, therefore, acceptable.

For the item identified as being unacceptable under the provisions of 10 CFR 50.54(p), the previously approved plan revisions must be followed. Should you want to pursue changing the plan under the provisions of 10 CFR 50.54(p), you must resubmit the changes modified to address our comments. In those instances where you desire to pursue the changes without modification, they must be resubmitted under the provisions of 10 CFR 50.90.

The reporting and/or recordkeeping requirements contained in this letter affect fewer than ten respondents; therefore, OMB clearance is not required under P. L. 95-511.

The enclosures to your letter contain Safeguards Information of a type specified in 10 CFR 73.21 and are being withheld from public disclosure.
