Inspection Summary

Inspection on November 13-16, 1984 (Report No. 50-331/84-15(DRSS))

Areas Inspected: Independent inspection to address matters identified by the Regional Review Committee as warranting inspection attention. The areas included lighting, Training and Qualification, and Access Control - Personnel. The inspection involved a total of 55 inspector-hours by two NRC inspectors. Ten of the 55 inspector-hours were conducted during backshift periods. The inspection began during the day shift.
