SENSE OF THE LEGISLATURE RESOLUTION REQUESTING
THAT THE NUCLEAR REGULATORY COMMISSION PERMIT
SUFFOLK COUNTY TO PRESENT ORAL ARGUMENTS
OPPOSING LILCO'S REQUEST FOR A LOW POWER LICENSE
FOR THE SHOREHAM NUCLEAR POWER PLANT

WHEREAS, the Nuclear Regulatory Commission is considering Lilco's request for a license to operate the Shoreham Nuclear Power Plant at low power levels; and

WHEREAS, the County Legislature by Resolution dated November 27, 1984, stated the County's opposition to the issuance of such low power license; and

WHEREAS, the Nuclear Regulatory Commission denied the request of Suffolk County and New York State to present oral arguments to the Commission as to why Shoreham should not be issued a low power license; and

WHEREAS, Suffolk County and New York State have formally requested the Nuclear Regulatory Commission to reconsider and reverse its denial of such oral arguments; and

WHEREAS, the Nuclear Regulatory Commission has previously stated in its own arguments to the U.S. Court of Appeals that the NRC gives "great weight" to the views of elected governments in fixing where the "public interest" lies; and

WHEREAS, the Governor of New York and the Suffolk County Government have determined through extensive analyses and responsible governmental decision making that the public interest lies in the Nuclear Regulatory Commission's denial of a low power license for Shoreham; and

WHEREAS, the Governor of New York and the Suffolk County Government are entitled to have the NRC give "great weight" to their views on where the "public interest" lies and to inform the NRC of such facts through the effective medium of oral arguments; now, therefore, be it

RESOLVED, that the Suffolk County Legislature demands that the Nuclear Regulatory Commission provide Suffolk County and New York State with the opportunity to present oral arguments as to why the NRC should deny Lilco's request to operate the Shoreham plant at low power levels; and be it further

RESOLVED, that counsel appearing for the County in the Nuclear Regulatory Commission's Shoreham proceedings promptly transmit a copy of this Resolution to the Commissioners of the Nuclear Regulatory Commission and other appropriate persons.
