Texas Utilities Electric Company  
ATTN: M. D. Spence, President, TUGCO  
Skyway Tower  
400 North Olive Street  
Lock Box 81  
Dallas, Texas 75201

SUBJECT: MANAGEMENT MEETING

This letter is to document our management meeting of February 21, 1985. Darrell Eisenhut, Deputy Director, Office of Nuclear Reactor Regulation, Vince Noonan, Director of the Comanche Peak Project, and I were pleased to meet with you to discuss managerial issues relative to the Comanche Peak project.

This discussion was valuable in clarifying certain issues about the relative roles of our organizations.

Sincerely,

**ORIGINAL SIGNED BY**  
**ROBERT D. MARTIN**
