Gentlemen:

Enclosed please find a request for an amendment to our byproduct license #20-01677-02. Since our new faculty member is most anxious to begin her work here but is unable to do so without the increased radioisotope quantities requested, your timely attention to this matter would be greatly appreciated.

If you have any questions regarding this request, please contact Mr. Jim Tocci at 413-545-2682.

Respectfully yours,

Joan Davis
