Subject: Task Action Plan A-45 - Decay Heat Removal  
Florida Power and Light Company  
St. Lucie Plant - Unit No. 1

Dear Mr. Sells:

As agreed to during last week's visit to St. Lucie for the subject project, I am forwarding to you a number of specific information requests. These items are identified below:

- Plant drawings as circled on the attached drawing listing (1/2 size prints).
- A copy of the Emergency Operations Procedures for hurricane, tornado, and external flooding.

If you have any questions regarding this request, please feel free to call.

Very truly yours,

Martin W. McCann, Jr.  
Vice President
