Docket 72-10  
Renewed Materials License No. SNM-2506

Letter to Request Submittal Date Extension for Response to Request for Additional Information Regarding Licensing Amendment Request to Expand the Storage Capacity of the Independent Spent Fuel Storage Installation (EPID No. L-2019-LLA-0169)

References: 1) Letter from the NRC to NSPM, "Prairie Island License Amendment Request – Request for Additional Information (EPID No. L-2019-LLA-0169)", dated April 13, 2020 (ADAMS Accession No. ML20077K624)

In Reference 1, the NRC issued a request for additional information to Northern States Power Company, a Minnesota corporation, doing business as Xcel Energy (hereafter "NSPM"), with a requested response date of May 12, 2020. NSPM requests an extension of the response date to June 12, 2020, due to challenges introduced by the COVID-19 pandemic and the corresponding stay at home orders.
