

CHAIRMAN

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

May 28, 2020

Mr. Paul Ray, Administrator
Office of Information and Regulatory Affairs
Office of Management and Budget
Washington, DC 20503

Dear Mr. Ray:

In response to Executive Order 12866, "Regulatory Planning and Review," signed September 30, 1993, I am enclosing the U.S. Nuclear Regulatory Commission's (NRC's) Statement of Regulatory Priorities for Fiscal Year (FY) 2021. Although only one rulemaking contained in the enclosure meets the requirements identified in Executive Order 12866, the NRC has included in the Statement of Regulatory Priorities the most important and significant regulatory rulemaking actions that the agency is considering issuing in proposed or final form during FY 2021.

You may direct questions about the NRC's Statement of Regulatory Priorities for FY 2021 to Ms. Jill Shepherd, Rulemaking Support Team Leader in the Regulatory Analysis and Rulemaking Support Branch, by phone at 301-415-1230 or by e-mail at Jill.Shepherd@nrc.gov.

Sincerely,

Kristine L. Svinicki

Enclosure:
NRC Statement of Regulatory
Priorities for FY 2021
